Viewing Begin and End Dates

To view the begin and end dates for a time frame:

1. From the Time Frames page, hover over the description. A pop-up window similar to the following shows the begin and end dates for the time frame.

Hover over a description... **...to see the begin and end dates**

The screenshot shows a web interface for 'Time Frames / kevin.netsapiens.com'. It features a search bar, an 'Add Time Frame' button, and a table of time frames. A red dot on the 'Specific Dates' description points to a pop-up window showing 'Begin' and 'End' dates as '12/25/2014'. Another red dot on the 'Days and Times' description points to the same pop-up window.

Name	Description	Begin	End
